The Ministry of Labour is pleased to announce that following the interviews to select suitable candidates for temporary employment of Malawian Workers in the agriculture sector in Israel, the Government of the State of Israel has cleared an initial list of 95 names to undergo medical examination and police clearance of criminal record. The general public and the candidates are being informed that the process of clearing successful names by the Government of the State of Israel will be done in phases until all the 500 positions of the first job order are filled.

The general public is also being informed that the Government of the State of Israel has cleared all the four Central Hospitals in Malawi as testing centres for Malawian agricultural workers going to Israel. Successful candidates are therefore requested to go for medical examinations at Mzuzu Central Hospital in the North, Kamuzu Central Hospital in the Centre and to Zomba and Queen Elizabeth Central Hospitals in the South. All the 95 candidates are urged to undergo these medical screening processes from 18<sup>th</sup> October to 23<sup>rd</sup> October, 2024 at the facility nearest to them.

The general public is further informed that police clearance of criminal record for the selected candidates will be taking place at the Malawi Police Service Headquarters at Area 30, Lilongwe. When coming for medical examinations and police clearance of criminal record, each candidate is requested to bring his or her National ID, four passport photos and a passport. Each candidate will be required to pay MK5,000 for police clearance of criminal record and MK70,000 for medical screening. Results of the police and medical screening will not be shared with the candidates but will be submitted to the Ministry of Labour.

Anyone who does not undergo medical and police criminal record clearance processes within the given time and places, will be deemed to no longer be interested in the job. The Ministry would like to appeal to all candidates to abide by the guidance provided.

The list of the 95 candidates who are to undergo medical examination and police clearance of criminal record is attached below.
