PRESS RELEASE

INTAKE OF INTERNS INTO THE 2024/25 GRADUATE INTERNSHIP PROGRAMME
(THE 10th COHORT)

For Immediate Release

September 24, 2024
Ministry of Labour
Lilongwe

The Ministry of Labour wishes to inform the general public that a list of names of new intake of interns into the 10th cohort of the programme has been released.

In line with the release of the names for the 10th cohort, the Ministry will send officials to all districts to administer contract signing exercise and filling of GP1 forms by the newly recruited interns. During this exercise, each intern is requested to bring two copies of his or her degree certificate, two passport size photos and two copies of their national identity card, in addition to the original certificate and national identity card. Prior to the contract signing exercise, all interns **should verify** their bank accounts to ensure that only valid account numbers are submitted for processing of stipends. A schedule for contract signing program for all districts is herewith attached.

Please note that the Government policy is to engage interns for a maximum period of one (1) year only. In view of this, Government will not extend interns' contracts beyond the stated period, irrespective of any circumstances. Therefore, the 10th cohort of interns will run from October 2024 to September, 2025.

All Government Ministries, Departments and Agencies (MDAs) are requested to accommodate and support the new interns to enable them settle smoothly in their designated workplaces. The Ministry further wishes to appeal to all heads of institutions to ensure that interns are adequately engaged in work to enable them gain relevant experience, which is the ultimate objective of the programme. Heads of sections should ensure that all interns have their original certificates, National IDs and signed contract forms on the day of reporting as a means of identification and verification.
